Dear Alburuj:

Congratulations on your participation and award in the State Science Day! Your hard work and interest in science has led you to receive an Excellent Ohio Academy of Science award as well as the Governor's Thomas Edison Award for Advanced or Alternative Energy Scholarship.

Your impressive work offers a glimpse at what you will achieve later in life. Great minds like yours are what will drive the future of Ohio.

Again, congratulations on being awarded at the Ohio State Science Day. If my office can ever be of service to you in the future, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Ted Celeste".
