Dear Dr. Nahar:

Thanks very much for your note, and for sharing with me your awards from the American Physical Society. Do know of my congratulations on these recognitions, which are indeed a reflection of your good work at Ohio State. And, at your request, I took the liberty of sharing this news more widely with my colleagues at the University for their consideration.

Again, know of my appreciation and best wishes.

Sincerely,

E. Gordon Gee
President
