Dear Madam,

This is to certify that Al Buruj has successfully completed his 30 hours course as a teacher in the above mentioned office. He has taught two (2) of our employees named Russell and Allauddin which would help them to get promotion gradually in our Dhaka office.

Furthermore we found him very sincere and active in his mission accomplishment. We wish Al-Buruj Razzak Rahman all the best.

Thanks and best regards,

Z.Shaukat Ghani.
