To Whom It May Concern:

This is to certify Al Buruj R Rahman took part in the "Passport to Asia" festival on August 16, 2003 during the 150th Ohio State Fair.

As a troupe member of Adity Performers, his performance was excellent and helped to enhance the enjoyment of the fair for all in attendance. The audience enjoyed the program and the festival coordinators were very pleased with the performance of Adity Performers.

We wish continued success to Mr. Rahman and the Adity Performers.
