Dear COSI Member:

Welcome to the COSI family of members! As a Metro High School student, you are receiving a complimentary 1-year student membership. A COSI membership benefits you by delivering high quality educational experiences and programs throughout the year, programs that can enhance your education as a Metro High School student. Your membership benefits include:

- Free admission to COSI's permanent exhibits
- Free reciprocal admission to over 250 science centers nationwide through the ASTC passport program
- Member Express Check-In
- Discounts on educational programs, camps, and workshops
- Member previews for new exhibits and Extreme Screen films
- Discounts at the Science₂GO! store and Atomicafé

When visiting COSI, please present the attached membership cards* and a photo ID. COSI is open Wednesday-Saturday 10am-5pm and Sunday Noon-6pm. COSI is closed on Monday and Tuesday. Visit www.cosi.org or call 614-228-COSI for more information.

Please find your new student membership cards below. If you would like to extend your membership benefits to the rest of your family, you may apply the value of your student membership (\$30) to the price of a family membership or another membership category. For example, a family membership is regularly \$82, but your family's cost would be just \$52. To upgrade your membership to another level, visit COSI's Box Office or complete and mail the enclosed application, along with payment, back to COSI.

We hope you enjoy your membership and look forward to seeing you at COSI soon!

Sincerely,

Jocelyn Mulvaney
Director of Membership and Donor Services

*Only Members listed on the Membership card are entitled to free admission and other benefits. Children under driving age may use their family's Membership card without a photo ID when the adults on the Membership are not present. Memberships are non-refundable and non-transferable. Benefits are subject to change without notice.

Carefully cut or punch out around perforated edge to remove cards.
