President's Award for Educational Achievement

Awards are given to students graduating from Middle School who meet the following criteria:

- Show tremendous growth but not meet the criteria for the President's Award for Educational Excellence.
- Demonstrate unusual commitment to learning in academics despite various obstacles.
- Maintain a school record that would have met the school's selection criteria for President's Award for Educational Excellence but illness, personal crisis, or special needs prevented the student from maintaining such high standards despite hard work.
