CHESS TEAM

The Chess Team enjoyed a successful tournament back in February and would like to thank all involved. We currently are gearing up for the National K-6 Elementary Tournament in Nashville next month. Evan McCoy, Corey Kountz, and Danny Schlosser will be representing Ridgeview at that tournament.

The weekend of April 28th, 2007 the team competed in the State K-12 Tournament at Bexley High School. Congratulations to Solomon Hughes, Alex Walkowski, and Cory Kountz who placed third in team competition.

We still practice on Wednesdays after school, and as the school year winds to a close, we look forward to a continued success next year. If any students are interested in becoming additions to our team, we would love to have them! Please see Ms. Durkin for more information.
