Sub: Confirmation of Membership of Prof. Sultana Nahar in
Dhaka Physics Group, Dhaka.

Dear Sultana Nahar,

Further to your E-mail dated 3rd Nov, 2022 and that of our E-mail dated 6th Nov, 2022 and our subsequent telephone communication with your good self - We are really happy and impressed by your deliberations and valuable ideas in order to make Physics Group really dynamic and vibrant for the promotion of various activities like meaningful and serious Research, programme, to organize Science seminars /Discussions, Memorial Lectures, Teachers Exchange program in Research with various University etc. In fact, we are very happy to note your willingness to become a member of Dhaka Physics group and discussed this matter with Mr. M Syeduzzaman, the president of Dhaka Physics group who

gladly agreed to make you a Member of Physics group and advised me ^{to} take appropriate action with an intimation to you.

We are happy to announce that Prof. Sultana N. Nahar of the Ohio state University, USA has been made a Permanent member of the Dhaka Physics group, Dhaka with effect from 10th Nov, 2022.

Almighty Allah Pak may really grant her for meaningful contribution towards various promotional activities of Physics group.

Thanking you & looking forward to receiving your kind advice and or any reaction

Your Sincerely

~~M. Habibullah~~
