Columbus, Ohio 43210-1173

Dear Professor Nahar:

On behalf of the 2018 Egypt International School for Young Astronomers (ISYA), we would like to invite you to lecturer on “XR plasma diagnostics applied to the Sun” in Cairo, Egypt on March 28 to April 12, 2018. Most of the students are at the level of Master and PhD.

Travel arrange will be handled by the IAU Office in Paris, France.

Regards,

Kam-Ching Leung
Director IAU-NASL ISYA
