Department of Astronomy  
The Ohio State University  
Columbus, OH 43210,  
USA

Date: October 31, 2013

Ref: Invitation to Physics Department of King Saud University

Dear Dr. Nahar,

Dr. Laila Babsail informed me of your delegate representation of the Ohio State University at the "5th International Exhibition and Conference on Higher Education (IECHE)" organized and sponsored by the Ministry of Education of the Kingdom of Saudi Arabia to be held during April 15-18, 2014 in Riyadh. We are interested in listening to your three topics of your presentations at the booth: i) Obama-Singh 21st Century Knowledge Initiative award project, STEM (Science, Technology, Engineering, Mathematics') Education and research for world-class faculty training and state-of-the-art research collaboration, at Indian Universities, ii) your STEM project in various countries, and iii) International Society of Muslim Women in Science (ISMWS) which will also include International Society of Arab Women in Science (ISAWS). We would also like to ask you for a seminar presentation of your research in our Physics Department.

Hence, we are sending our invitation to visit us here at the King Saud University during your visit in the Kingdom of Saudi Arabia. I hope you accept it.

With best regards,

Dr. Norah Hamad Alonizan

Vice Chair, Department of Physics  
King Saud University

Riyadh
