

Science Faculty – Physics Dept.

Professor Sultana N. Nahar  
Department of Astronomy  
The Ohio State University  
Columbus, OH 43210,  
USA

Date: January 23, 2014

**Ref: Invitation to Taibah University, Al-Madinah Al-Munawwarah, Saudi Arabia**

**Dear Prof. Sultana**

It is our pleasure to invite you to Taibah University during your visit to the Kingdom of Saudi Arabia when you will delegate the Ohio State University during April 15-18, 2014 at the "5th International Exhibition and Conference on Higher Education (IECHE)" at the invitation of the Ministry of Higher Education. We will be interested in hearing the three topics of your presentations at the IECHC:

- I) Obama-Singh 21st Century Knowledge Initiative awarded project on STEM (Science, Technology, Engineering, Mathematics) Education and research for world-class faculty training and state-of-the-art research collaboration that we may explore to participate.
- II) your developed STEM project implemented in three countries, and your involvement in bringing Arab physicists to American Physical Society.
- III) International Society of Muslim Women in Science (ISMWS).

Your being a physicist, we also are interested in a seminar presentation on your research in Astrophysics, particularly on collision process, in the Physics Department hope that you will accept the invitation.

With best regards

Dr. Mosleh Almarashi   
Head of Physics department  
Taibah University, Al-Madinah Al-Munawwarah, Saudi Arabia
