

Participant comments on WSR Workshop.

To acquire keen knowledge one must study, to acquire wisdom one must perceive, and to acquire the accomplishment of one's aim one must go to **Ohio state university**.

Zubeire Nuzhat Jahan Hyder (Mentor, WSR)

Asst. Teacher in Physics

Ayub Urdu Girls High School, Patna

The creative minds of students got a chance to determine their ability through this workshop.

Juwaria Anjum

Ayub Urdu Girls High School +2, Patna

WSR Workshop Participant, Patna.

Effort and courage are not sufficient without purpose and direction and through this workshop I got both purpose and direction for my aim. May Allah make my way easy to be a fellow of **Ohio State University**.

Ashba Kamal (Ayub Urdu Girls High School +2, Patna)

WSR Workshop Participant, Patna.

To change one's life, one need to change his priority. My first priority is to get admission in U.S and my dream is to be a student of research and to be a student of Prof. Sultana Nahar.

Shabana Perween, Ayub Urdu Girls high School+2 ,Patna

WSR Workshop Participant, Patna.

After attending this workshop all my negative situation now turned positive. Now I am confident that I also have the ability to join Ohio State University.

Firdous Alim (WSR Participant, Patna)

Ayub Urdu Girls High School+2, Patna.

This workshop has been beacon of hope for the Indian Muslim Girls to become a scientist. It made my way easier to be an Ohio fellow.
