Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Efat Jamal, Subject: Physiology, Student/Teacher/Alumni

Institution/Company Surendranath College Address: 46/1/H/12, GORA CHAND ROAD KOL-70001

1. What motivated you to choose STEM subject?

Ans:- ^{Reason} ~~Motivation~~ behind my choosing of STEM subject that I want to know more and more about STEM. My thoughts were motivate me.

2. What strategy do you follow for your study?

Ans:- I follow strategy for my study to learn about 3-hours in a day.

3. What is your career goal?

Ans:- My career goal is to become ~~to~~ a professor of Physiology department, so I teach Peoples about Physiology.

4. What is your expectation from this workshop?

Ans:- I expect from this workshop that it will be easy for me to study in abroad, they will support me and encourage me.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Ans: yes, I ^{become} more motivated to choice of study in STEM field, because when I attend this workshop, I really inspired that we indians are ^{become} more educated if we join The Ohio state university and they support for our higher Education.

2. Do you feel that you have a better strategy for your study?

Ans:- Yes, I feel that I have better strategy that we all have 24 hours in a day so we have to study in that hours, because we all says we have no time to study, I know about this to attend this workshop.

3. Do you have a better understanding on how to achieve your career goal?

Ans:- Yes, I have better understanding, before attending this workshop I have no broad idea about my career goal, but they were told about in detail for our career goals, how to achieve, so I think I gain knowledge from them which I never have -

4. Do you feel that this workshop has been useful?

Ans:- Yes, It has been useful for all the science student because many students have ambition to study in USA but they can't, because they have no idea, but this workshop has ² knows me to how ~~to~~ study in USA. They help OS in every way.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Mansha Muskan, Subject: Science ✓, Student/Teacher/Alumni

Institution/Company MD-jan highschool Address: _____

1. What motivated you to choose STEM subject?

My school teacher said to me to attend the stem program. which is help full for us in future. My parents suggested me that is good for you.

2. What strategy do you follow for your study?

Self study is the best strategy.

3. What is your career goal?

To become a doctor

4. What is your expectation from this workshop?

My expectation from this work to help me clear the vision which regard to me.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

yes I feel more motivated in my choice of study in STEM field to study best in science field.

2. Do you feel that you have a better strategy for your study?

yes I feel a better strategy for my study starts with 3 hours reading in my way and also focus in my aim.

3. Do you have a better understanding on how to achieve your career goal?

Yes I do have a better understanding on how to achieve my career goal. First of all don't shy anywhere and don't nervous in that moment in which you close to your dream.

4. Do you feel that this workshop has been useful?

yes of course I felt that this workshop has been useful.

*STEAM
*chem

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: KHADIJA BEGAM, Subject: CHEMISTRY, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY, Address: NEW TOWN, KOLKATA - 700156

1. What motivated you to choose STEM subject?

I like science subject when I complete my 10th class. So, I choose chemistry subject. In chemistry subject there is many more reaction, colourfull sample. Lab classes. So, I decide my Msc. master's degree complete in chemistry.

2. What strategy do you follow for your study?

I don't have any specific strategy; in my I just attend my class and then I read my subject very carefully. I try my best and 100% attendance.

3. What is your career goal?

I want to be an artist, but also I like reading. I decide want to apply for WBCS after completing master's in chemistry.

4. What is your expectation from this workshop?

There is a lot of expectation, I can gain many knowledge from STEAM workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

yes, I feel more motivated and inspired after attend this workshop. After ^{attending} this ~~at~~ workshop I clearly understand what what is STEM?. So, I feel very thankful to STEM. Now I can understand that what I should do.

2. Do you feel that you have a better strategy for your study?

yes, I feel that I have a better strategy for my study.

3. Do you have a better understanding on how to achieve your career goal?

yes, I have a better understanding on how to achieve my career goal. Now, I should follow the method to success my career.

4. Do you feel that this workshop has been useful?

yes, of course. This workshop has been useful for me. I am really very thankful to give me this opportunity. I can gain many experience from this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: JINNAT BINA BHARATI, Subject: CHEMISTRY, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY, Address: NEWTOWN, KOLKATA-700156

1. What motivated you to choose STEM subject?

I like this kind of subject. I am interested to know the so many matter of science and Technology. If I know this kind of subject very well I can help our service in different fields and for this our social system will upgrading.

2. What strategy do you follow for your study?

I can not follow a particular strategy for my study. From 24 hours of a day I can try to utilize the time in many work which help me very well.

3. What is your career goal?

I want to be a civil servant. Now I am in BSc Chemistry 3rd year after complete my graduation, I will prepare for this exam.

4. What is your expectation from this workshop?

From this kind of workshop I can gain a lot of knowledge about STEM and I can gather knowledge about the opportunity, facility of the subject/STEM where I can will go through so many fields in future.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I felt, felt more motivated in my choice of study in STEM fields. Attending this workshop ~~is~~ I know about the opportunity and facility of the STEM field. where I can go there in future.

2. Do you feel that you have a better strategy for your study?

I feel that I have a better strategy for my study. I learn how to follow a good strategy, that's why I can improve my study which help me ~~for~~ too much.

3. Do you have a better understanding on how to achieve your career goal?

Yes I have a better understanding on how to achieve my career goal. How I should follow a ~~particular~~ proper method to succeed in my career. that's why I can develop ~~which subject~~ my own society go through my career.

4. Do you feel that this workshop has been useful?

Yes this workshop has been very useful. I feel more motivated on my study. I am interested on my study ~~to~~ more and more. I study with ~~my~~ full of concentration from before.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Ambia Naureen, Subject: _____, Student/Teacher/Alumni

Institution/Company Belgachia Urdu High School (co-ed) H.S, Address: 83E/1B/H/16 Belgachia road Kot-

1. What motivated you to choose STEM subject?

Ans: My stem subject is science and i want to be an engineer. because in science field there is a scope.

2. What strategy do you follow for your study?

Ans: In 2 hour every day i study in our home. I would like to learn science and math and my teachers, parent's are also support me to study. I want's to do my dreams become ture.

3. What is your career goal?

Ans: I ^{after} choose the science. I ~~would~~ want to be a engineer. I want to proved that girl are ~~not~~ attentive in every fields.

4. What is your expectation from this worksop?

Ans: I expect from this work shop that in future I wanted to chosse the science subject this work shop given me for good oppurtunity ~~from~~ ⁱⁿ science field. Learn about STEM subject.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Ans: yes, I feel more motivated in my choice of study in STEM Fields. ~~Because in science field~~ ~~the~~ Now it is also to study mathematics.

2. Do you feel that you have a better strategy for your study?

Ans: yes, I feel that you have a better strategy for my study. 2 hour is very short time to a better career I do more hard work to a better career.

3. Do you have a better understanding on how to achieve your career goal?

Ans: yes, I have a better understanding on how to achieve my ~~my~~ career goal.

4. Do you feel that this workshop has been useful?

Ans: yes, this workshop has been useful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: RAHENA AFROJ, Subject: PHYSICS, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY Address: NEWTOWN, KOLKATA-700156

1. What motivated you to choose STEM subject?

Everything in science was amagine in the 10th level and I though want to know this very well. Physics is the law of nature and I want to know the nature's law. In science there is a cause, which happens in nature.

2. What strategy do you follow for your study?

Like everyone I can not follow in routine for study my study when I study any a time. in the At first I understand what tell the books. and about a particular topics and then I capture it. I try to gives my 100% when I read about a particular topics.

3. What is your career goal?

I want to be a professor and distribute my knowledge for the student and also help the poor student whose have not enough financial support. I want something for the muslim girls.

4. What is your expectation from this workshop?

From this kind of workshop I can gain a lot of knowledge about STEM. I can gather knowledge from the workshop about STEM in future. I join the workshop for the experience.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivation from the speech of the scientist I study physics and I want to reach my goal in physics.

2. Do you feel that you have a better strategy for your study?

Yes, I think I study 4-6 hours in a day and concentrate on my study. I should not concentrate in the minor problems which are going on around me and forward.

3. Do you have a better understanding on how to achieve your career goal?

Yes. ~~The work~~ From the workshop I learned that I should do smart and hard work for achieving my goal. From this workshop I learned that everything is possible if I want to do it. But nothing is possible if I can not take any risk in life.

4. Do you feel that this workshop has been useful?

This is the first workshop in my life. and from this workshop I gained many experience. I think which is very useful in my future life. From this workshop I learned how to write a CV or resume.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 04, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Salha Khatam, Subject: _____, Student/Teacher/Alumni

Institution/Company Belgachia urdu high school Address: 13, Salhama Ashraffhallya road Kol-48

1. What motivated you to choose STEM subject?

My STEM subject is choose science. Because I want to be in the science field there is a scope in this field.

2. What strategy do you follow for your study?

Everyday 2 an hour I try to read study.

3. What is your career goal?

I choose the science. I want to be a Engeneer.

4. What is your expectation from this worksop?

we expect I expect from the work shop that in future I wanted to choose science subject this work shop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes,

2. Do you feel that you have a better strategy for your study?

yes, I feel that you have a better strategy study: Because this workshop given new ideas.

3. Do you have a better understanding on how to achieve your career goal?

yes, I have a better understand on how achive my career goal.

4. Do you feel that this workshop has been useful?

yes, this workshop has been useful.

#Engineering

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Irsha Iqbal, Subject: _____, Student/Teacher/Alumni ✓

Institution/Company Belgachia Under high school, Address: 83K/H/2, Belgachia KOL-37

1. What motivated you to choose STEM subject?

~~My~~ ^{My} STEM subject is science and I want to be an engineer because in science field there is a scope.

2. What strategy do you follow for your study?

Every day 2 hours I study in my house. I would like to learn science and mathematics. My parents and my teachers are also supported me to study.

3. What is your career goal?

I after choose the science, I wanted to be an engineer. Because I want to prove that the girls are also attentive in every field. I want to my dreams become true.

4. What is your expectation from this workshop?

I expect from this workshop that in future I wanted to choose the science subject this workshop given me a good opportunity in science field.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yeah, I feel motivated. I aim to become a software engineer, because the world is advancing in technology with each day and there is thus a basic requirements of more technocrats. I aim at keeping pace with this technology and contribute towards self development as well as industrial.

2. Do you feel that you have a better strategy for your study?

I think more improvement is needed in my strategy.

3. Do you have a better understanding on how to achieve your career goal?

I have an idea about the path, how to reach my goals. I have to work hard ~~and~~ for that I will try my best.

4. Do you feel that this workshop has been useful?

Ofcourse it was useful. It enhanced our insight to the world of sight-science and technology. we came to know about the vista of opportunities and trainings from here.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 04, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Roshni Farhin, Subject: _____, Student/Teacher/Alumni

Institution/Company Belgachia vidya high school Address: 76, Dakshin Dari Road Kol-48.

1. What motivated you to choose STEM subject?

I wanted to choose science because in the science field there is a scope in this field. etc

2. What strategy do you follow for your study?

Everyday I have 2- 2 1/2 an hour I try to read study

3. What is your career goal?

After choose the science, I wanted to be a Doctor.

4. What is your expectation from this workshop?

I expect from this workshop that in future if I wanted to choose the science subject this workshop giving me a better opportunity in the science field to do something for my community.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

yes.

2. Do you feel that you have a better strategy for your study?

yes, I feel that I have a better strategy for my study because this workshop giving me new ideas for my study.

3. Do you have a better understanding on how to achieve your career goal?

yes. I have a better understanding on how to achieve my career goal.

4. Do you feel that this workshop has been useful?

yes, This workshop is really useful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Mobashira Shams, Subject: _____, Student/Teacher/Alumni

Name: SASDA. Parveen., Subject: Science ✓
Student, Student/Teacher/Alumni

Institution/Company student, Address: 484/2 FAKORIA Street

1. What motivated you to choose STEM subject?

Because my teacher has told me to join it

2. What strategy do you follow for your study?

Study for 2 hours .

3. What is your career goal?

TO become a doctor . .

4. What is your expectation from this worksop?

Help me in my Studies.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes I do feel more motivated to study in science field.

2. Do you feel that you have a better strategy for your study?

Yes I do feel that I have more strategy for studying like 2 how of study everyday. and hard working and focus on my goal.

3. Do you have a better understanding on how to achieve your career goal?

Yes I do have better understanding on how to achieve my career goal.

4. Do you feel that this workshop has been useful?

Yes I do feel that this workshop has been more successful for me because it has motivated me and told that focus on your dream and neglect the negative things.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: _____, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: NASIMA SULTANA, Subject: PHYSICS, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY, Address: NEWTOWN, ACTION AREA - 11/27

1. What motivated you to choose STEM subject?

=> Actually it is a ^{workshop} for the women ^{of} from science streams. So, I ^{didn't} ~~didn't~~ want to ^{miss} the opportunity to attend this workshop.

2. What strategy do you follow for your study?

Hard-working is the only key of success there is no shortcut.

3. What is your career goal?

I want to be a ~~lecturer~~ teacher as well as a good person.

4. What is your expectation from this workshop?

My expectation that I will definitely learn something that will help me in future.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

→ Yes; I feel more motivated in my choice of study in STEM fields.

2. Do you feel that you have a better strategy for your study?

Working hard is definitely the way of success but we definitely need a proper guide.

3. Do you have a better understanding on how to achieve your career goal?

→ Yeah, this workshop is a great experience for me and I really glad to have this. I learnt many things which was unknown to me and it'll definitely help me for my career.

4. Do you feel that this workshop has been useful?

Yeah, it is this workshop has been very useful. It's a great experience...

M.Sc.
* PhD in Chem
* singing

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: MEHNAZ FARHIN, Subject: CHEMISTRY, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY
STUDENT, Address: NEW TOWN, KOLKATA - 700156.

1. What motivated you to choose STEM subject?

All the perspectives and aim of this institution has driven me in choosing STEM. Our local expert Hadiha Ahmed Ha'am came to our college and explained all its objectives and uses along with its importance outside our country. So this new initiative, especially for the minority girls has given me a zest and a new will to pursue STEM.

2. What strategy do you follow for your study?

I don't follow any specific strategy because I'm a person who can't keep any strategies or resolutions. So I try to study as much time as possible for my own health and I try to give my best and 100% attention on the duration of my study hours.

3. What is your career goal?

Actually my one and only passion in life is singing and I want to be a singer but in my high school I loved chemistry a lot. So from that love I'm continuing in pursuing honors and I want to pursue research and maybe in the near future a doctorate degree in Chemistry.

4. What is your expectation from this workshop?

~~Some higher~~ There are a lot of expectations. First and foremost is that through STEM I would like to connect myself to the international opportunities that it is providing like pursuing higher studies from outside and have my dreams come true.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated and inspired after this two-day ^{long} workshop. The experience that I gained was far more valuable and enriching than what I learnt from our regular classes in college. I will definitely try my level best to strive towards my goal so that I can become more enriched in my choice of study in STEM fields.

2. Do you feel that you have a better strategy for your study?

Yes of course. Now ~~as~~ as I have been motivated by some eminent delegates, I feel very much inspired and now the zest to study and work hard towards my goal has increased. ~~and~~ The strategy is also now planned out and installed. I hope I can achieve all my dreams.

3. Do you have a better understanding on how to achieve your career goal?

Yes. The workshops especially the lectures and presentations given by Dr. Anil Pradhan and Ho. Sultana Ha'am has motivated me a lot. ~~so they~~ they gave a clearcut evidence of a bright future and so now I have ^{much} a better understanding on how to achieve my career goal.

4. Do you feel that this workshop has been useful?

~~Yes~~ Yes it has been very useful to me and I want to thank our local expert Nadiha Ha'am for giving us this golden "once-in-a-lifetime" kind of opportunity to us.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: _____, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: SAMIMA SULTANA, Subject: PHYSICS, Student/Teacher/Alumni

Institution/Company ALIAH UNIVERSITY, Address: NEWTOWN, ACTION AREA-II/27

1. What motivated you to choose STEM subject?

I never have to opportunity to attain workshop before that. I am very interested to do workshop. This workshop is all about science and only for women so I choose this.

2. What strategy do you follow for your study?

Hardworking is the key of success.

3. What is your career goal?

I want to be a teacher. But at first I want to be good person.

4. What is your expectation from this workshop?

My expectation from this workshop that I will learn something new from this and I hope to my life will be more creative.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated in ~~go~~ my choice of study in STEM fields.

2. Do you feel that you have a better strategy for your study?

Yes I feel that I have a better strategy for my study.

3. Do you have a better understanding on how to achieve your career goal?

Yes I have a better understanding to achieve ~~on~~ ⁱⁿ my career goal.

4. Do you feel that this workshop has been useful?

Yes, I feel that this workshop has been useful.

* India study.
* MTech & PhD

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

Institution/Company _____, Address: 85, Rafi Ahmed Kidwai Road
Kolkata - 700013

1. What motivated you to choose STEM subject?

The vast dimension to be explored

2. What strategy do you follow for your study?

Regular college lectures, weekend coaching for GATE Examination, online courses, video lectures.

3. What is your career goal?

M.tech from IITsc Bangalore and Phd.

4. What is your expectation from this worksop?

Learn about STEM subjects

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes

2. Do you feel that you have a better strategy for your study?

Yes

3. Do you have a better understanding on how to achieve your career goal?

Yes

4. Do you feel that this workshop has been useful?

Definitely Yes.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Farhat Bano, Subject: Teacher, Student/Teacher/Alumni

Institution/Company B.D.H. School (Co-Ed) H.S., Address: Belgachia

1. What motivated you to choose STEM subject?

STEM (Science, Technology, Engineering, & Technology) encourage and support female. This motivated me to choose STEM subject.

2. What strategy do you follow for your study?

I am school teacher of L.Sc. Before going to class room I prepared myself fully about the chapters. I prepared lesson plan.

3. What is your career goal?

I want to do M.Sc and Ph.D.

4. What is your expectation from this workshop?

My expectation from this workshop is very high. For my opinion this workshop show me the path to do something for female myself.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes,

2. Do you feel that you have a better strategy for your study?

I have to improve my strategy for my study.

3. Do you have a better understanding on how to achieve your career goal?

Yes,

4. Do you feel that this workshop has been useful?

Yes, this workshop has been very useful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

WSR Workshop: Number: 4, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Sajia Khatun, Subject: Science, Student/Teacher/Alumni

Institution/Company Studeal, Address: 4, Bed Ford Lane Kol-16

1. What motivated you to choose STEM subject?

The technology thinking motivated to choose STEM subject. and man told to go there. and in my environment told me to go STEM. and gave some knowledge.

2. What strategy do you follow for your study?

Clear and simple and professional strategy. to do hard work to more knowledge.

3. What is your career goal?

my career goal is engineering. and some technology work which is change life and every one see how much beautiful our earth.

4. What is your expectation from this workshop?

To clear the ~~g~~ and get some strategy to do follow for our study.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes I do feel more motivated of study in Technology and engineering. and also by STEM Workshop motivated to me because its told me that every one are equal to do go USA and study there.

2. Do you feel that you have a better strategy for your study?

Yes because I'll. studying every day in 6hrs. and I will try my best. and I know its not enough to do study than I think my strategy is not better but its not so bad because my Confident and my aim is very clear.

3. Do you have a better understanding on how to achieve your career goal?

Yes I have a better understanding on how to achieve my career goal. but I need best teacher to do better study but I go in STEM than I think best Teacher is important but I clear my career goal and do self study. it is important to achieve career goal.

4. Do you feel that this workshop has been useful?

Yes its improve our skill, self Confident and this workshop remamber you should go to do study in USA and its told them every one are equal in World.
