WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Shaik Afiza, Subject: MSc ^{PHYSICS} ~~PHYSICS~~ Student/Teacher/Alumni

Institution/Company Osmania College, Address: 45/398-5 Ashok Nagar
KNL Kurnool

1. What motivated you to choose STEM subject?

To get knowledge about STEM
 Increase my skills about the technologies
 which is going on around the STEM.

2. What strategy do you follow for your study?

First of all we have to get the
 knowledge about the theme point then
 we have to analyze & then elaborate
 any required information.

3. What is your career goal?

To go to the research side.

4. What is your expectation from this workshop?

we are glad that we have got opportunity
 to know about the STEM & ^{got} idea
 on the STEM ¹ to learn many things

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, of course. It gives us to develop science, technologies. Research what's going on around the world.

2. Do you feel that you have a better strategy for your study?

Science is subject that we can understand very good. In our daily life we can compare or learn anything from the science.

3. Do you have a better understanding on how to achieve your career goal?

Yes, if we doesn't understand. We can interact with the friends, sites

4. Do you feel that this workshop has been useful?

Yes, it's a very useful workshop. Actually we doesn't known about this STEM. It's a very good opportunity for us to be here. Thanks a lot...

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Dr. C.P. LAKSHMI PRASUNA, Subject: PHYSICS, Student/Teacher/Alumni

Institution/Company K.V.R. Govt College for Women(A), Address: KURNOOL

1. What motivated you to choose STEM subject?

From my childhood days, as a student, I am interested in science.

2. What strategy do you follow for your study?

I have already reached my goal as I am now working as an Associate Professor.

3. What is your career goal?

To become a good teacher.

4. What is your expectation from this workshop?

I expect that this workshop empowers me in a way wherein, I can be a source of information to promote my students to be part of STEM.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes.

2. Do you feel that you have a better strategy for your study?

Yes.

3. Do you have a better understanding on how to achieve your career goal?

Yes. The seminar opens an eye for reaching the goals.

4. Do you feel that this workshop has been useful?

Yes. It is useful for students who aspire for higher education in abroad.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, ~~Delhi~~, ~~Hyderabad~~, ~~Kolkata~~, ~~Kurnool~~, ~~Patna~~

Name: K. Nalini Das, Subject: Teacher, ~~Student/Teacher/Alumni~~

Institution/Company KVRGDC (W), Address: Kurnool.

1. What motivated you to choose STEM subject?

As the stem inspire and help minority & disabled students and got gradual increase in rate of student participation.

2. What strategy do you follow for your study?

3. What is your career goal?

To teach morals and build the life of student to reach higher goals in an eminent and righteous ways

4. What is your expectation from this worksop?

It is very nice and I wish to flourish still more in all ways by helping the poor students.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

I felt very happy and have been motivated by the STEM lectures and decided to help the students in supporting their

2. Do you feel that you have a better strategy for your study?

3. Do you have a better understanding on how to achieve your career goal?

Yes. I have been encouraged by the lectures and decided to be an eminent teacher by helping the students in many ways.

4. Do you feel that this workshop has been useful?

Yes. It is very useful for me and as well as to my students for which the future plans to be planned.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Institution/Company KVR Govt college for women^[A], Address: Kurnool

1. What motivated you to choose STEM subject?

Science and Technology motivated me to choose STEM subject which also includes mathematics.

2. What strategy do you follow for your study?

Hardworking & learning new things & gaining subject knowledge with interest are my strategies for my study.

3. What is your career goal?

My career goal is to do Ph.D. And to become a Govt. Lecturer in the field of Biotechnology.

4. What is your expectation from this workshop?

I am expecting to know more about STEM subject and benefits that we can gain from STEM subject.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated in my choice of study in STEM fields.
I am very happy to be a part of STEM field.

2. Do you feel that you have a better strategy for your study?

I have a better strategy for my study. ^{though} I think I have to improve my strategy for the study.

3. Do you have a better understanding on how to achieve your career goal?

Yes I have a better understanding to achieve my career goal.

4. Do you feel that this workshop has been useful?

Yes this workshop is very useful. I learn more things from this workshop.
I was happy to participate in this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool Patna

Name: m. Sxilatha, Subject: physics, Student/Teacher/Alumni

Institution/Company K.V.R. Govt. Degree college for women, Address: V.C ENCLAVE, V.C COLONY

1. What motivated you to choose STEM subject?

my favoante subject is physics. Because of in this subject contain morden physics, electronics etc.

2. What strategy do you follow for your study?

Learning with intrest BOOKS reading to gain knowledge.

3. What is your career goal?

my ~~career~~ goal is to become physics lecturer

4. What is your expectation from this worksop?

I exspect more information about STEM subject.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I am feel more motivated in our study in STEM field. By in this workshop the madam's & sir's are give more information and give more successions, ideas and in this workshop is more useful to all students, teachers, others.

2. Do you feel that you have a better strategy for your study?

Yes, I am feel better strategy for study, in this workshop I am participated to get more information and. In this workshop any doubt to solve the madam's & sir's I am definite to reach the a better strategy for study.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have been understanding in this workshop is to reconcorage my career goal. I am present in this workshop definitely to reach my goal.

4. Do you feel that this workshop has been useful?

Yes, Because of in this workshop I got many information, In this workshop was is useful to my life.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Kummari Praveena, Subject: Mathematics, physics, computer science, Student/Teacher/Alumni

Institution/Company K.V.R Govt. degree college, Address: Kurnool (A).

1. What motivated you to choose STEM subject?

I am very interested in mathematics because I am fond of solving problems. I also interested in physics because because I am interested in electronic devices. So, I am motivated to take my subjects in degree as MPCs (Mathematics, physics, computer science)

2. What strategy do you follow for your study?

I want to learn the study in clear subject in clear. As I am a good listener, I will not at all leave any point in my lectures lecture. Also I maintain running notes. when I want to prepare first I follow my running notes and then I go to the given notes.

3. What is your career goal?

My Immediate goal is to study MSc (physics). After that I in physics I want to become a lecturer and to share my knowledge to so many people.

4. What is your expectation from this workshop?

The presence of women in any field like science, technology, Engineering, mathematics awareness. I am expecting from this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, as I am a STEM field student I am more interested in stem fields. By this workshop, I feel that I perfectly choose the right platform in my life. I am very much thankful for having an opportunity in this workshop.

2. Do you feel that you have a better strategy for your study?

Yes, I have a better strategy for my study. By the seminars of the workshop I got still more strategy for your study.

3. Do you have a better understanding on how to achieve your career goal?

I have a good understanding on how to achieve my career goal. By this workshop I also feel that my career goal should be based on the STEM fields.

4. Do you feel that this workshop has been useful?

Yes, very motivated by this workshop. Very interesting and in which field have the more scope in the world. Overall I can say that a useful workshop in our life for career goal.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna
 Name: MOUNIKA NASIKA, Subject: Mathematics, Physics, Computer Science, Student/Teacher/Alumni
 Institution/Company K.V.R Govt College for Women Address: Kurnool (A.P.)

1. What motivated you to choose STEM subject?

As technology and Science is increasing day by day it is everyone's need to know and gain some knowledge regarding STEM and I'm very much interested in updating my knowledge in new technologies and this reason motivated me to choose STEM subject.

2. What strategy do you follow for your study?

My strategy is to know ^{my} your subject without any fear and want to gain my knowledge as far as I can.

3. What is your career goal?

I want to be an Administrator in Indian Government Services and want to serve my Country.

4. What is your expectation from this workshop?

It sounds so interesting hearing about the "Women in STEM Roadshow" after all it is about women and knowing how good we are in technology Science Engineering and Mathematics is my responsibility and I'm expecting that I would gain a good exposure about

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, it is really inspiring. ~~I~~ and motivative workshop. I'll continue my higher studies in STEM subject.

2. Do you feel that you have a better strategy for your study?

Yes, this workshop paved me a new way to reach my goal.

3. Do you have a better understanding on how to achieve your career goal?

Yes, for sure.

4. Do you feel that this workshop has been useful?

Ofcourse, this workshop is very useful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: M. P. Javeena, Subject: Maths, physics, ^{chemistry}, Student/Teacher/Alumni

Institution/Company K.V.R Govt Degree College Address: Kurnool (A.P)

1. What motivated you to choose STEM subject?

I am very interested in physics because of I am very interested in mechanical working and also technical working materials

2. What strategy do you follow for your study?

I want to learn in the study of my subject clearly. But my main strategy is I'm doing great hardwork. because of to reach my goal. my study is helpful to others. finally I'm helpful to peoples

3. What is your career goal?

my career goal is I'm doing a any technical working and also a I become a Research of technical work.

4. What is your expectation from this workshop?

I'm very happy to participate in this workshop because of first fall I'm inspired in this workshop next I go to help my friends and help minority and disadvantaged female students in govt college and universities to STEM

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes I'm very motivated in STEM fields. how to apply sciences, and technology, Engineering and mathematics in my carrier we choose the best option.

2. Do you feel that you have a better strategy for your study?

I have a better strategy for my study, hard work is the most important my strength is my confidence, if any problem comes front I'm ready to face because of my goal in my life.

3. Do you have a better understanding on how to achieve your career goal?

Yes I have a better understanding on how to achieve my career goal because of I'm in part of in this work shop how to apply my functions I reach to my goal. STEM is the one of the best part of the how to build our career goal and how to reach.

4. Do you feel that this workshop has been useful?

I have been ^{participated} to many conferences and workshops and have always bored or uninterested that did not happen here. I really liked the hands on approach. Thanks for all the great.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna ✓

Name: K. Sasi Rekha, Subject: physics, Student/Teacher/Alumni ✓

Institution/Company Osmania Degree College ^{for women} Address: 76/10A Upstair Tempala Shivaya Nagar, Kurnool near Battery chaur

1. What motivated you to choose STEM subject?

my Aim is research in physics I Really interested to science related so like the STEM Subject

2. What strategy do you follow for your study?

Studing Subject in physics deeply and Learning more information for science. as well as understanding and maintain raft notes to writte the important points on notes so this process i'm studying

3. What is your career goal?

P.HD. physics

4. What is your expectation from this worksop?

It is good approchinity for students and It is highly useful, for me after the future, so I am interested for the STEM

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes it is very motivated class and also it is very interesting for science STEM fields is developing in our communication skills.

2. Do you feel that you have a better strategy for your study?

Yes I really have a better strategy for my studies, because, I am maintained my rough notes neatly so i'm following important points to the topics. I am Deeply studying in subject.

3. Do you have a better understanding on how to achieve your career goal?

First of all I am selecting how to prepare to achieve my goal and understanding very well to subjects and reaching my career goals.

4. Do you feel that this workshop has been useful?

Yes I really feels this workshop is very useful to all like as college students education completed women, and it is very grateful for all students. This is best approach for girls (women)

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: K. Afroz Begum, Subject: BSc (MPC) Student/Teacher/Alumni

1. What motivated you to choose STEM subject?

I interesting to Mathematic. I am really motivate this STEM subject.

2. What strategy do you follow for your study?

I am studying mathematics in ~~physics~~ STEM. and I gain STEM subjects.

3. What is your career goal?

Bank Employee

4. What is your expectation from this worksop?

This is good apporchunity for students.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes I motivated in STEM field then how to approach the STEM. We are knowing after your classes. This is one of the best opportunity.

2. Do you feel that you have a better strategy for your study?

Yes I really have better strategy for my studying because, I am maintaining my note to important points

3. Do you have a better understanding on how to achieve your career goal?

After my Bsc I completed to P.G. because I am motivating & understanding on how to achieve my career goal.

4. Do you feel that this workshop has been useful?

Yes this workshop has been useful to students.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: P. Shaikunbee, Subject: Maths, Student/Teacher/Alumni

Institution/Company Asmania College, Address: Kurnool

1. What motivated you to choose STEM subject?

Research in physics, I Really interested to Science related so like the STEM subject

2. What strategy do you follow for your study?

Studying subject in physics deeply and Learning more information for Science. as well as understanding and maintain ruff hlats to write the important points and process is studying

3. What is your career goal?

phd physics

4. What is your expectation from this worksop?

Very good opportunities in stem subject
So, I am interested for the STEM subject

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

MBA in STEM field in (Ohio) university, so STE P
subject is also motivation

2. Do you feel that you have a better strategy for your study?

Yes I really have a better strategy for my studies
Because, I am maintained my ruff notes and
important points on the topics

3. Do you have a better understanding on how to achieve your career goal?

my career goal is MBA, then I hope best
opportunities in finances and Account

4. Do you feel that this workshop has been useful?

Workshop is very useful in degree, school students

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: SHAIK. SANA FATHIMA, Subject: LIFE SCIENCE Student/Teacher/Alumni

Institution/Company Osmania degree college, Address: 24-26 Goni Gani street (Kurnool)

1. What motivated you to choose STEM subject?

My stem subject is microbiology

→ Stem subjects are integral to the success

→ Global opportunities comes with stem qualification especially if we have a good communication or language skills. & stem subject is parts of our lives

2. What strategy do you follow for your study?

Speaking loudly instead of simply reading,
Teaching what i have learn to someone else

Taking notes by hand

simply notes to few words, learn in short burst

3. What is your career goal?

Microbiologist, self satisfying job

→ Getting goals which motivate me,

4. What is your expectation from this worksop?

To get knowledge & Good information.

Learning goals, sharing innovative and best practices

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, stem is important because it pervades every part of our lives.

2. Do you feel that you have a better strategy for your study?

Yes, because, I'll take notes by hand,

3. Do you have a better understanding on how to achieve your career goal?

Goal must be clear & well defined, motivating oneself, building self confidence based on successful career on goals. Finding a good mentor

4. Do you feel that this workshop has been useful?

Yes, It motivate us towards a stem career and i really motivated by this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: SHAIK NAZIA SULTANA, Subject: LIFE SCIENCE Student/Teacher/Alumni

Institution/Company OSMANIA DEGREE COLLEGE, Address: 46/363, A, BUDHWAR PETA, KURNOOL,
A.P - 518001.

1. What motivated you to choose STEM subject?

The stem subject is interesting and it is full of facts which motivates me to learn further.

2. What strategy do you follow for your study?

Make a study plan, Concentrating and understanding the concept rather than byhearting it.

3. What is your career goal?

To achieve a self-satisfying job.

4. What is your expectation from this workshop?

To learn, experience, explore many more new things from this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, it is very motivational and also very inspiring.

2. Do you feel that you have a better strategy for your study?

Yes, after attending this workshop, I have a better strategy for my further study.

3. Do you have a better understanding on how to achieve your career goal?

Yes, after listening to the motivational lectures, I have a better understanding to achieve my career goal.

4. Do you feel that this workshop has been useful?

Yes, it is very useful for my future career.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: M. heshavardini, Subject: Maths, Student/Teacher/Alumni

Institution/Company Osmania Degree clg, Address: H.No 68-94A Mirachio Bazar Krl.

1. What motivated you to choose STEM subject?

~~I would like to explore my objectives.~~
I am fond of learning science.

2. What strategy do you follow for your study?

First I will prepare a running notes. I study what I understand

3. What is your career goal?

I would like to pursue a lecturership in mathematics.

4. What is your expectation from this workshop?

my expectation from this workshop is to motivate me for higher education.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated in my choice of study in STEM field. I like to tell Dr. Sultana mam was given more motivate class.

2. Do you feel that you have a better strategy for your study?

Yes, I feel that, I have better strategy for my studies.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I feel better now, before coming this program. I was confused. Now I am know.

4. Do you feel that this workshop has been useful?

Yes, this workshop has been very useful to me & my studies.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: _____, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Shaik. Salma Naureen, Subject: Biotechnology Student/Teacher/Alumni

Institution/Company Vacui Mahila Kalasah Address: 10th King Market Kurnool

1. What motivated you to choose STEM subject?

I have been interested in Science background as it motivates me in every aspects as Science is life we can't imagine our life without it I want to take my career ahead in Science.

2. What strategy do you follow for your study?

I follow the good teaching faculty and communication skills regarding fluence in English. Good knowledge about the Subject.

3. What is your career goal?

My goal is to become a researcher in recognised laboratory To invent a new technologies for development of plants.

4. What is your expectation from this workshop?

My expectation from the workshop is to get a foreign Education in the science to offer the ph.D in USA it helped me alot.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

I felt motivated because i come to know a lot of information in stem As it ^{will be} helpful for studying America.

2. Do you feel that you have a better strategy for your study?

I have planned to complete my graduation and study my postgraduation in America.

3. Do you have a better understanding on how to achieve your career goal?

I can achieve my goal by offering higher studies and to be in a greater position.

4. Do you feel that this workshop has been useful?

It has helped be a lot I gained knowledge about STEM and pursuing higher studies in America.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: S. Md. Yasmeen Begum, Subject: student, Student/Teacher/Alumni

Institution/Company Vasavi Mahila Kalash Address: H.No: 32/6, Medhavi street, One
Town, KNL

1. What motivated you to choose STEM subject?

I choose science subject because I get motivated from Ayesha Siddique, that she has explained very well about STEM. I have been interested in STEM.

2. What strategy do you follow for your study?

- * There should be good education. (or) teaching.
- * And there should be good lecturers (or) Professors so that we can interact them.
- * They should be good communication skills.

3. What is your career goal?

Research in Medical Microbiology. that is my career goal

4. What is your expectation from this worksop?

I got alot of informaton from this work shop about STEM.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I have been motivated in choosing science subject in STEM fields.

2. Do you feel that you have a better strategy for your study?

Yes. Because they are aloting scholar ship for study

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have get better understanding to achieve my career goal

4. Do you feel that this workshop has been useful?

Yes, I have get useful from this work shop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: Shaik Ayesha Mehnaz, Subject: Biotechnology / Life Science, Student/Teacher/Alumni

Institution/Company Vasavi Mahilakalasa, Address: 2-272 / Near T-town

Kurnool. A.P

1. What motivated you to choose STEM subject?

→ I choose life science as my subject because Science helps us in all the ways in order to help the society and choose my carrier Objective in science for my service

2. What strategy do you follow for your study?

→ There is not yet any strategy to study but I have a strategy to get my goals by following the biotechnology subject and want to do a research field in the subject. to see my self as a researching for the update.

3. What is your career goal?

→ My career goal is to go further in my subject and get a full fledge knowledge and become a Successful researcher (or) a Professor.

4. What is your expectation from this worksop?

→ I expect from this workshop is, it should be able to fulfill the requirements, what I am hoping is to do my higher studies and work in biotech Research field (or) related to it.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

* Yes I feel motivated before this workshop, I was simply wanted to do job after my studies but after this, I really feel that to get an opportunity in Great Universities in foreign.

2. Do you feel that you have a better strategy for your study?

* Yaa, I feel that to continue my researching in the subject and do graduation in the most reputed universities and hope I can utilise it for, My betterment.

3. Do you have a better understanding on how to achieve your career goal?

* I can achieve my goal, to go ahead in the researching studies related to my subject that is in life sciences and keep myself in the satisfactory Purpose of my life.

4. Do you feel that this workshop has been useful?

* Yes, It has been useful, I get to learn and experience from all the great People like Sultana, Karen Irving, Nasreen, Arind Pradhan and so on, many motivational knowledge and I heartfully enjoyed and motivated in my life for my future.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, (Kurnool) Patna

Institution/Company Vasavi Mahila Kalasala, Address: (Vasavi Mahila Kalasala)
11-129, E-13, Abbas Nagar, Kurnool

1. What motivated you to choose STEM subject?

The way STEM is doing their job by educating the needy. I was very excited and also motivated to choose STEM.

2. What strategy do you follow for your study?

The only strategy is I had am pursuing my graduation and I want to pursue post graduation and do a suitable job

3. What is your career goal?

My career goal is to do job in my field which may be suitable for me.

4. What is your expectation from this workshop?

I expect this would be very interesting and very motivated.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

I felt more motivated to study in STEM fields.

In fact I am interested in STEM fields to work on to study.

2. Do you feel that you have a better strategy for your study?

In my view there is a very good strategy for me in studies.

3. Do you have a better understanding on how to achieve your career goal?

After listening and grasping the lectures I feel I have better understanding (or) clearance what should I do and to achieve my career goal.

4. Do you feel that this workshop has been useful?

Literally I feel privileged to attend this workshop.

I would like to thank professors to help me out to make me achieve my goal. It has been very very useful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: JONPE, RENUKA, Subject: BIOTECH STUDENT, Student/Teacher/Alumni

Institution/Company VASAVI MAHILA KALASALA Address: # 53/40, UTTARADI MATT ROAD,
NEAR KING MARKET, KURNOOL.

1. What motivated you to choose STEM subject?

The thing that motivated me to choose STEM workshop is we can interact with STEM Coordinators. We can able to know about different options we can have in our career.

2. What strategy do you follow for your study?

I don't follow any particular strategy. ~~the~~ interest towards my subject ^{me} make _{to} read.

3. What is your career goal?

My Career goal is to do research in the stream of biotechnology and to settle as a scientist. My Motb is learn globally, Work locally. so am interested in doing my PG ^{out} of My Country.

4. What is your expectation from this worksop?

As the STEM stands for Science, Technology Engineering and Mathematics. my expectation is to know more about this subjects

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, of course I feel motivated in my choices. The presentations and interactions are quite motivating.

2. Do you feel that you have a better strategy for your study?

As I answered before in the survey, I don't have any particular strategy. Interest towards my subject made me to study and made me more enthusiastic towards my subject.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have a better understanding on how to achieve my career goal. Before I was totally unaware of educational career in foreign. By this workshop the presentations given by them made my vision more clear.

4. Do you feel that this workshop has been useful?

Yes, I feel so because by this STEM workshop I came to know from about the process that one should go through in order to pursue their education in US and also different online courses which are totally free like MOOC, and also about teaching career in the United States.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna ✓

Name: C. SHREYASH, Subject: BIOTECH, Student/Teacher/Alumni ✓

Institution/Company VASANT MAHILA KALASIA Address: #53/40, Uthamathi Mutt Road,
Near King Market, Kurnool.

1. What motivated you to choose STEM subject?

The thing which motivated me to choose STEM is giving preference to minority and disadvantaged female students.

2. What strategy do you follow for your study?

I do study with practical knowledge and application, with perfect planning.

3. What is your career goal?

I love to do finding something new. So my career goal is to become scientist.

4. What is your expectation from this workshop?

Can know what actually STEM is and their processing

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I felt more motivated by the workshop and speeches given by co-ordinators.

2. Do you feel that you have a better strategy for your study?

Yes, this workshop made me to think broad, and also to have a better strategy for my study.

3. Do you have a better understanding on how to achieve your career goal?

Yes, How much, I have to work hard to achieve my career goal. I understood very well.

4. Do you feel that this workshop has been useful?

Yes, this workshop is useful and made me to know new things and what way we can be successful.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: M. Anu priya, Subject: Bio-tech, Student/Teacher/Alumni

Institution/Company Vasavi Mahila Kalasala, Address: Vasavi Mahila Kalasala, #53/40, Utharadhi mult Road, Near King Market Kurnool.

1. What motivated you to choose STEM subject?

I have very much interest in science subject so I motivated to choose STEM.

2. What strategy do you follow for your study?

I can understand the concept, I think My success starts from this.

3. What is your career goal?

My career goal is to become a Biotechnologist

4. What is your expectation from this worksop?

I expect some knowledge to choose my career.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I really motivated by your speech. Now I can easily build my future education.

2. Do you feel that you have a better strategy for your study?

Yes, I have a better strategy of my studies with practical knowledge.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I can understand to achieve my career goal with hard work.

4. Do you feel that this workshop has been useful?

Yes, this workshop is very useful for us. To Achieve the goals easily.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: R. Khalida Zeba, Subject: BSc. BMC, Student/Teacher/Alumni

Institution/Company Vasvi Mahila Kalas Address: # 53/40, Uttaradimati road, Kurnool.

1. What motivated you to choose STEM subject?

I like to learn (or) like to know about the new things, so I choose STEM and also have come here to know about STEM.

2. What strategy do you follow for your study?

I prefer applied knowledge for the study of the particular subject. One should get the entire knowledge about the related subject which you choose.

3. What is your career goal?

My career goal is to go towards the research field through which I can serve the country with my new ideas.

4. What is your expectation from this workshop?

I just want to get the information about the STEM and to know about the future in abroad.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

I do feel motivational after listening to the workshop, and the choice of study in the STEM field will be beneficial to the freshers who were interested in the teaching field.

2. Do you feel that you have a better strategy for your study?

I do feel that I have a better strategy after attending and listening to this STEM workshop. STEM given me the knowledge how to make my strategy towards my study even better and best.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have got a clear idea how to achieve my goal and this will be helpful to me for the better future for my career.

4. Do you feel that this workshop has been useful?

Yes, this workshop has been useful to me and everyone who attended to this. This paved a way to make a better career in abroad and ^{provided} awareness about the VISA applications in USA by which we can have a easier way. ~~for~~ to USA.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

1. What motivated you to choose STEM subject?

Actually i like to learn (or) like to know about the new things, so i choosed STEM and also came forward to know about STEM.

2. What strategy do you follow for your study?

In my view practical knowledge makes a perfect study to me and also like to participate to get the basic knowledge, this is my strategy.

3. What is your career goal?

My career goal is to do researches in biotechnology or microbiology and become a Scientist.

4. What is your expectation from this worksop?

I may get to know about STEM and also teaching planning

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, i felt motivated by the workshop and the speeches given by the coordinators was very nice. and also the doubt clarification by the coordinators is good.

2. Do you feel that you have a better strategy for your study?

Yes, i feel that this ~~at~~ STEM education will provide the basic & practical knowledge which is mainly needed by me.

3. Do you have a better understanding on how to achieve your career goal?

Yes, i have and i think this workshop may definitely help to achieve my career goals in future.

4. Do you feel that this workshop has been useful?

Yes, this workshop is useful as it gave information about higher education in US and also about the GRE examination and benefits of higher education in US.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: H. Alijakousa, Subject: Life Science, Student/Teacher/Alumni

Institution/Company Osmania degree college, Address: 41/276 Kothapada Kurnool

1. What motivated you to choose STEM subject?

The Stem Subject is interesting and in life science of Zoology and it fact full which motivate us to learn further.

2. What strategy do you follow for your study?

I make Study plan and concentrated on the concept.

3. What is your career goal?

To achieve a researcher's job.

4. What is your expectation from this workshop?

Good knowledge and experience from workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel motivated to study in STEM fields.

2. Do you feel that you have a better strategy for your study?

Yes I feel better strategy for my studies and concentrated the concept.

3. Do you have a better understanding on how to achieve your career goal?

after listening and grasping of my lecturer I feel. I have a better understanding to achieve my career goal.

4. Do you feel that this workshop has been useful?

Yes it is useful for my future career and I would like to thank my lecturer to help me in this workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna ✓

Name: K. Bhagya Lakshmi, Subject: Science, Student/Teacher/Alumni ✓

Institution/Company Osmania Degree College Address: 36/115-A, Chittaxi Street, Knl.

1. What motivated you to choose STEM subject?

STEM subjects are diverse, challenging, and offering a wide range of opportunities that a woman can do and I also heard they were preparing students and teachers in these programs for future work in exciting careers. Due to financial problems I may stop my studies. I think it's a better opportunity for me to study abroad.

2. What strategy do you follow for your study?

I used to be logical and visual learner, attending all classes without fail. I used to prepare a time table for study hours and making running notes when the lecturer starts his lecture. Keeping eye contact with the lecturer is my first strategy and clarifying doubts daily.

3. What is your career goal?

Seeking a challenging and rewarding opportunity with an organization of repute which effectively utilizes my excellent analytical and technical skills in IT industry software.

4. What is your expectation from this workshop?

As a student we need some guidance and some motivation to choose a better field and my expectations from these workshop is to gain some better knowledge which will use to succeed in my life.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated by the lectures given by Professors Sultana N. Nahar, Karen Irving and Dr. Nasreen Haque.

2. Do you feel that you have a better strategy for your study?

Yes, I feel ~~love~~ very great and better strategies to follow in our studies.

Yes, I feel that I have great and better strategies that we have to follow in our studies.

3. Do you have a better understanding on how to achieve your career goal?

Yes, we have a better understanding to achieve our goals and to succeed in our lives.

4. Do you feel that this workshop has been useful?

Yes, this workshop has been very useful to us and we feel more motivated by the STEM Roadshow workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna ✓

Name: Shaik Mymuna Afreen, Subject: Mathematics
Scies, Student/Teacher/Alumni

Institution/Company: Osmania Degree College, Address: 9/263, A opp: Lal Masjid, Kurnool

1. What motivated you to choose STEM subject?

I would like to explore new objectives. My curiosity for getting more and more acknowledge lead me to opt, for a new experience.

2. What strategy do you follow for your study?

I always believe in valuable, factual and exploring education instead of rote education. I first understand things and then explore it to the best understanding and this stuff makes me confident at some or the other state.

3. What is your career goal?

I aim to see myself as a dedicated professor. I love to the responsibility of a tutor, giving knowledge. In other words spreading light all around. INSHA-ALLAH.

"I hope to be a light in someone's darkness".

4. What is your expectation from this workshop?

In short, ^{time} ~~and~~ A life experience. Just to learn new things which I am not aware with. And to have fun with education nor the formal education.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

To your kind information I have always been a student interested in science. Infact, my goal was to see myself as a doctorate but due to some circumstances I have to opt for an under graduation ~~over~~ in STEM fields. Coming to the survey conducted, boosted me up and motivated ^{me} to the beyond level.

2. Do you feel that you have a better strategy for your study?

I strongly believe " Hope for the best, expect the least". There is no Alternative other than Hardwork. Obviously, Hardwork pays back ^{in aspects of} both, knowledge and worth.

3. Do you have a better understanding on how to achieve your career goal?

Yes. Firstly I am looking up to complete my p.G i.e., post graduation from a serignated university. Then after I would try to finish up with ph.D / M.phill degree in physics.

4. Do you feel that this workshop has been useful?

Yes, obviously It was a lifetime Experience for myself. It boosted me up, besides awairing the today's Competition level In Education and need of oneseelf to strive hard to Exist.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

1. What motivated you to choose STEM subject?

To encourage students to learn more and to Empower them

2. What strategy do you follow for your study?

Books, various studies, References.

3. What is your career goal?

To do research in my subject

4. What is your expectation from this worksop?

To gain knowledge and guide lines for my phd.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, Inspired, and motivated very much to study in STEM.

2. Do you feel that you have a better strategy for your study?

Yes, I feel that I have better strategy to study.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have a better understanding how to achieve career goal.
To gain, to communicate with eminent persons & through
some examinations, I would like to achieve my
research

4. Do you feel that this workshop has been useful?

Yes, this is very useful, we got much and acquired knowledge
we would like to improve the knowledge from various sources.
We understand various routes and guidelines.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Pre-workshop survey

WSR Workshop: Number: 8, Location (circle): Aligarh, Delhi, Hyderabad, Kolkata, Kurnool, Patna

Name: SHAIK TUBA NAUSHEEN, Subject: PHYSICS, Student/Teacher/Alumni

Institution/Company OSMANIA COLLEGE, Address: H.No. 5-218, Rangaraj street
I Town Police Station, Kurnool

1. What motivated you to choose STEM subject?

The subjects include STEM and the various examples explained by the talented and experienced professors.

2. What strategy do you follow for your study?

First we need to listen carefully and understand the concept very deeply so that we can easily learn.
The strategy of STEM I follow for my study

3. What is your career goal?

My goal is to get a good job as a
in a public sector

4. What is your expectation from this workshop?

My expectation is fulfilled from this workshop

Director: Dr. Sultana N. Nahar, The Ohio State University, USA

Post-workshop survey

1. Do you feel more motivated in your choice of study in STEM fields?

Yes, I feel more motivated in my choice of study in STEM field.

2. Do you feel that you have a better strategy for your study?

Yes, I feel that I have a better strategy for my study.

3. Do you have a better understanding on how to achieve your career goal?

Yes, I have a better understanding how to achieve my goal.

4. Do you feel that this workshop has been useful?

Yes, Yes. I feel that this workshop has been useful for students Graduate and Post Graduate. Thank you very much for giving me this oppourtunity to be a part of STEM Workshop.

Director: Dr. Sultana N. Nahar, The Ohio State University, USA
