

International Mother's Language Day  
Prof. Sultana-N. Nahar.  
Dept. of Physics  
AMU, Aligarh.

### Invitation

Esteemed ~~Sir~~, Mam,

We are pleased to invite you as a "Guest of Honour" at the **International Mother Language Day Celebration** to be held on February 28, 2016. For some unavoidable reasons we could not observe the day on February 21 this year. So we had to postpone it. The Bengali speaking students, research scholars, teachers from Bangladesh, West Bengal, Assam and around the world living in AMU have been organizing and celebrating this day in the University for the last few years and hope to continue it in future too. We would be extremely privileged to have you in our programme. We are eagerly looking forward to your gracious and benign presence.

Venue- Conference Hall, Training and Placement office (TPO), AMU

Time- 11.00 am

Thanking you,

Bengali Students of AMU
