The Astronomy Club invites you to join the Fourth Astronomy Conference from September 29 to October 1. The conference will be an enlightening experience for those who are interested and passionate amateurs and enthusiasts. Speakers from AUC, other universities throughout Egypt and international universities will give lectures to broaden perspectives in astronomy.

The event is free of charge, however you must register before the event [here](#). For any more information, contact Hagar Adam 010.1010.3722 or Youssef Nabil 012.7111.2396 or send an email to astronomy@aucegypt.edu.

This Event is open to:

the public
