NEWS AND NOTES.....

It was so good to see Tatiana Nikolova-Houston in Columbus again. She was officially here doing library research but found time to join with Whetstone Folk Dancers for performances at the Gallery Hop and Whetstone's Rose Festival during the 2 weeks she was here. Additionally she got to the MacGahan Bulgarian festival in New Lexington, OH where Hajde played. not to mention dancing weekly at CFD, Hillel and WFD. Note that when dancers travel to another folk dance city they have a ready-made community of friends.

Chris received a nice farewell note (as nice as farewell notes can ever be) from Kristin Swinton. "My husband, Cameron, will be graduating medical school next week and then we're moving to Kansas City, MO for him to start his pediatric residency. I was lucky enough to find a good job in that city as well. We're moving out on June 4. I just wanted to tell everyone how much fun I had dancing with you all and to wish everyone good luck in the future!"

And from the June 29, 2005 *Delaware Gazette* we learn that in May of this year Mary Lea Bailey was presented with the Harold Rice award at the annual workshop of Great Lakes Recreation Leaders Lab at Camp Cavell in Lexington, MI. The award honors individuals who exemplify the highest level of professionalism as a recreation resource leader. This includes knowledge of content, organization, thorough preparation, respect for learners, resilience, flexibility, sensitivity and a sense of humor. Congratulations, Mary Lea. And thanks for sharing all that with us.

IN CASE OF EMERGENCY

Call the City Police (614-645-4545) not OSU. Phone number is also shown on upper right corner of our Dry-Erase easel (where we write the list of dances) and on our request list. Ask someone to use a cell phone as phones are not easily available in the church.

In case of snow — or weather emergency: If Columbus declares a Level 2 (or 3) emergency or if OSU cancels classes on a Wed. evening CFD is automatically cancelled. If in doubt call 261-7181 for a voice mail message.
