## GREAT END-of-FEBRUARY WORKSHOP WITH YVES MOREAU

Well attended, fun, live music, ended February but not the cold snowy weather. A measure of the success of the Yves teaching is that we continue to do several of the dances - probably the biggest crowd favorite is Chilili from Bolivia. Pictures from the workshop on page 3.

## GUEST TEACHER, ROO LESTER, HELPS CFD CELEBRATE 54 DANCING YEARS AT BIRTH- DAY PARTY MARCH 14TH

Most of us will remember that Roo was our workshop teacher the year CFD turned 50. We were delighted that she was able to birthday with us again this year. In addition to reviewing some of the dances she taught previously she taught a Swedish Slangpolska and Norwegian-flavored "Linerender". Notes from Leslie Scott regarding the latter dance add some interesting details. "I put 'Linerender' in quotes because it's a made-up name, a takeoff on Reinlender; the dance itself is a Norwegian-style take on country line dancing made up by Alix Cordray, an American who has lived in Norway for many years and is active in teaching and promoting Norwegian dance."
