Find Out How You Can Get Involved!

Posters at the Engagement Forum include ways that you can get involved with the programs. Each of the participating programs has highlighted different opportunities for involvement and contact information.

Now it is easier than ever to make connections with the community-university partnerships on display at the Engagement Forum.

Below are a few examples of ways to get involved:

- Volunteer opportunities for health care professionals to assist with patient care
- Be trained and volunteer at diabetes detection events
- Volunteer to be a mentor
- Provide volunteers for Lake Water Sampling
- Provide funding to sponsor scholarships for deserving students
