Dear Prof. Sultana

With a great honor, I'd like to invite you to be one of the lecturers in the International School for Young Astronomers (ISYA). It will be held in Cairo during the interval from 26th March to 11th April 2018 under the supervision of IAU. The School will cover all your room and board during the School's duration and on the other hand the IAU office will cover all your travel expenses (Your travelling ticket from home country to Cairo and back). Looking forward to see you in Egypt

Best regards.

Prof. Hatem Odah
