Aligarh Muslim University News

Felicitation ceremony of STEM research graduate projects held Aligarh, September 7: APJ Abdul Kalam Centre of Excellence in Science, Technology, Engineering, Mathematics - Education and Research (STEM-ER), Aligarh Muslim University, organized the certificate distribution ceremony of STEM research graduate projects on Friday.

Chief Guest on the occasion Prof Akhtar Haseeb, Pro Vice Chancellor, Aligarh Muslim University (AMU) and Guest of Honour Prof Qazi Mazhar Ali, Dean Faculty of Science, distributed the certificates to the students.

These research graduate projects were first of its type from the APJ Abdul Kalam STEM -ER centre in which 26 graduates participated.

Prof Akhtar Haseeb in his address motivated the young researchers to continue innovative research in STEM disciplines. Prof Qazi congratulated the students for successful completion of the projects and Prof Farukh Arjmand presented the overview of STEM research projects.

Dr Swaleha Naseem conducted the program and presented vote of thanks.
