

## KU to renew MOU with Ohio state University

Students Of Physics Deptt Honoured

Srinagar, Mar 13: The annual Sultana Nahar Prizes in Physics introduced and sponsored by Dr Sultana Nurun Nahar of the Ohio State University, US were distributed today among the students and teachers for their performance in physics during a function at EMMRC auditorium here.

Vice-Chancellor KU Professor Talat Ahmad in his presidential address urged the teachers as well as students to not only crave for this award but to aim at awards at the national and international level.

Prof Talat said that there was already an MOU in place between the KU and Ohio State University earlier and he is looking forward to renew that MOU in order to develop more and strong academic linkages between the two Universities.

Dean Academic Affairs KU Professor A M Shah while praising the efforts of Vice Chancellor, reminded about the various MOUs that KU has signed with national and international universities and institutions. He expressed his pleasure on the manifold increase in the number of applications that have been received for the admission to P G programme in Physics.

Registrar KU, Professor Zaffar Ahmad Reishi, reminded about the brilliant past of the Physics department.

Earlier, in his welcome address, Head department of Physics, Dr. Manzoor A Malik, gave an introduction of the current activities of the department and spoke about the purpose of these awards.

Among those who received prizes, include Professor Javid Ahmad Sheikh and Dr Basharat Want in research and teaching category, Gowhar Hussain in best Ph. D. student category, Nuzhat Nazir and Zahoor Ahmad in the best M. Sc. Physics female and male student category respectively.

Iqra Jan and Tahir Rashid received the award in the best B. Sc. Physics female and male student category respectively.
