

ANNUAL REPORT
2013

DEPARTMENT OF PHYSICS
ALIGARH MUSLIM UNIVERSITY
ALIGARH

Eminent Physicists who visited the Department and delivered lectures/talks:

1. Prof. S. Kailas

Director,

Physics Division, Bhabha Atomic Research Centre (BARC), Mumbai

"Keynote address on atomic energy in India"

28/02/2013

2. Prof. I. M. Gowil

Panjab University, Chandigarh

"3 MV Tandem accelerator and its application for research in multidisciplinary field"

21/03/2013

3. Dr. Syed Raqhib Hassan

The Institute of Mathematical Sciences, Chennai

"Topology and Geometry in Condensed Matter Physics"

03/04/2013

4. Prof. Gordon Berry

Professor at University of Notre Dame, Notre Dame, Indiana, US

"The Foil Surface interaction in fast-beam – foil experiments: Some understanding and some unsolved problems"

6 – 7/05/2013

5. Prof. Sultana N. Nahar

"Study of Neon abundance in astronomical objects"

17/09/2013

6. Prof. Patrick Osmer

The Ohio State University, USA

"Addressed the teaching staff and students of the Department of Physics related to the OSU-AMU STEM-ER collaboration"

11/11/2013

7. Dr. Aparna Shashtri and Dr. Sunanda

Atomic & Molecular Physics Division, BARC, Mumbai

"To discuss the DAE-BRNS Project sanction to Prof. Tauheed Ahmad"

28 – 29/11/2013
