Prof. Sultana N. Nahar

The Ohio State University, USA

Subject: Request to deliver a speech in the “International Conference on Physics-2022” organized by Bangladesh Physical Society to be held during 19-21 May 2022.

Dear Prof. Sultana N. Nahar,

It is our great pleasure to inform you that Bangladesh Physical Society is going to organize the “*International Conference on Physics-2022*” to be held during 19-21 May 2022 at Atomic Energy Centre, Dhaka. The theme of the conference is “**Physics for 4th Industrial Revolution and Beyond**”. We are expecting hundreds of delegates from all over the country and abroad to this three-day-long conference.

Through this program academician, scientists, engineers and professionals from different universities, research & development organizations and industries will get the opportunity to interact among themselves, exchange ideas, knowledge and views for enhancing mutual cooperation. It is expected that this conference will encourage and create enthusiasm among young scientists, engineers and professional engaged in the field.

The Organizing Committee of the conference decided to hold a session on “**US-Bangladesh Education Collaboration Program**” on 21 May 2022 at 15:00. On behalf of the Organizing Committee, I would like to invite you to deliver a speech in the session.

Thank you in advance for your spontaneous cooperation and we are looking forward to meeting you.

Best regards,

(Mohammed Nazrul Islam Khan, PhD)

Secretary, Organizing Committee

International Conference on Physics-2022

&

General Secretary

Bangladesh Physical Society
