Prof Sultana N. Nahar,

Department of Astronomy, McPherson Lab, The Ohio State University
140 West 18th Avenue, AST, Columbus, OH 43210, USA

Sub. Consent to deliver the guest lecture.

Dear Ma'am,

As per our conversation through email, hopefully you will be visiting India in the current month September 2022 and probably you will stay in Delhi on September 23, 2022.

Keeping in view your vast experience and contribution in the field of applied physics as well as Astrophysics and Mathematics, we wish to invite you to deliver a guest lecture and interact with our faculty and research scholars for promotion of interdisciplinary research on 23rd September 2022 at 4: 00 pm in the renamed centre "The A. H. Siddiqi Centre for Advanced Research in Applied Mathematics & Physics" (CARAMP) at Sharda University campus, Gr. Noida, India.

I request you to kindly accept this invitation for the same.

Warm Regards,

Prof. (Dr.) Khursheed Alam
