Dear Dr. Nahar,

I am pleased to invite you to spend a few days at our Department. It will be convenient for us to have you here some time during July and August if that is suitable time for you.

During your visit to the Department I would ask you to present a seminar on your current research findings in the field of "Photoionization and Recombination in Nebular Plasmas".

I look forward to your reply and hope to see you soon in Dhaka.

Yours sincerely,

Professor Dr. Mesbahuddin Ahmed

Date: 24/07/2011

Dr. Sultana N. Nahar gave a Keynote Speech in a special seminar session in the Department of Physics, Jagannath University and Dhaka, Bangladesh on 24th July, 2011. Her seminar was on “Photo-ionization Electron Ion Recombination in Nebular Plasma”. It was a very nice talk.

We are thankful to her.
