

**Mentor: Fellow Lakshmi Prasuna, KVR Government Degree College, Kurnool**

'STEM' workshop conducted at kurnool , AndhraPradesh is highly informative and very much useful to the students.Ten students from science departments of our college have participated in the workshop.Out of ten students, six students have secured good ranks in the entrance exmintions conducted by the Universities and joined the PG courses in different Universities and institutions in India. Three of them are preparing themselves for securing jobs in public sector concerns. One of the students is persuring her Bachelors degree in Education.

The workshop encourages and broadens the horizons of the students in persuring higher education in Science, Technlogy, Engineering and Mathematics, both in India and abroad.

I am very much indebted to the organizers for giving me an opportunity to be part of the work shop. My sincere thanks to the organizers of the work shop on my behalf and on behalf of my students also.
