Conference Talks
Zheng Zheng

5. SDSS Collaboration Meeting, Fermilab, Chicago, Illinois, October 2003;
   Talk at Large Scale Structure Group Meeting:
   “Halo Occupation Distribution Parameters from Projected Galaxy Correlation Functions: Luminosity and Color Dependence”

4. SF03 Cosmology Workshop, Santa Fe, New Mexico, July 2003;
   “Constraining Galaxy Bias and Cosmology Using SDSS Data”

3. Great Lakes Cosmology Workshop VII, University of Michigan, Ann Arbor, Michigan, May 2003;
   “Are Galaxy Bias and Cosmology Degenerate?”

2. China-Germany Workshop on Cosmology, Shanghai, China, November 1998;
   “An HST Photometric Study of Ultraluminous Infrared Galaxies”

   “Gamma-Ray Absorption in the Pulsar Magnetospheres”
