Dear Professor Nahar,

It is with great pleasure that I congratulate you on being elected a Fellow of The World Academy of Sciences. This honor stands as a testament to your skill as an educator and the remarkable contributions you have made to the field of science.

Our University is humbled and privileged to learn from and be represented by a scholar like yourself on the world stage. It is my hope that this experience is both insightful and gratifying as you begin this new venture in your esteemed career.

Congratulations, again, on this remarkable accomplishment and best wishes in your future endeavors.

Sincerely yours,

Kristina M. Johnson, PhD  
President

Professor Nahar-

Congratulations!

yours,
