

1

→ about the course:- it's very useful and nice course, it's give us important notes about the Astrophysical science and the begin to state programming. * soon

→ about the Prof / Sultana . N . N

Thank you for coming to Egypt. you have nice ~~and teach~~ method in teaching you are helpful. I'm catch some new notes.

Thank you

2

In my opinion I think it was one of the most important and useful courses I may use in upcoming researches and I hope to attend the next course to be one of the researchers who are learnt some advanced technologies to make use of it in my research in shaa allah :D.

3

The course is very good, I ~~with~~ hope that it is longer and contains more astronomy information.

Dr. Sultana ~~is~~ is a great lecturer and a great person too. Thank you for the useful course.

6)

+ this course was very useful for us but it's

very condensed ~~at~~ and the rate was very

fast

I hope there are other such benefite

course in the near future.

all in all \rightarrow it was helpful.

5

I think it is a successful course, ~~and it's but I'm~~

~~to ex~~ and I ~~could~~ gain a lot of information

thank you.

* Comments on the Astrophysics course

- The course has a lot of interesting topics that I liked.
- I wish that course to be continuous ~~in~~ through the 3 weeks (every day)

* I need more time for the workshops.

* Comments on the Lecturer (Prof. Sultana)

- She is helpful and was very patience with us.

- I'd like to thank you.

finally

* I wish you all the best and
happy journey *

Mansour

7

- The Course is very useful and has a lot of benefits, the review of the atom structure makes me happy and ~~inspire~~ ^{Make} me to go on.
- The Course gives me a good idea about astrophysics and how it is important.
- The lectures are very good and easy to understand.

8

don't upset from me

I love you so much.

I will wait to complete the work
with Mansour.

Mansour has a problem with matrix

regards
Dr. abeer
