Dr. Sultana N. Nahar  
Department of Astronomy  
The Ohio State University  
Columbus, OH 43210

Dear Sultana,

Following our discussions on the astrophysical problems on solar opacities and the Iron Project work, I would like to invite you to visit us here at NASA/Goddard Space Flight Center for a week of September 24-29, 2012 for collaborative work. I have made an appointment for you with Dr. Holly Gilbert, the Chief of Solar Physics Laboratory.

Looking forward to your visit,

Anand Bhatia
