Dear Prof. Jawed Akhtar Sahab: Assalam-O-Alaikum

On behalf of Aligarh Education Endowment Fund (AEEF) we would like to thank AMU authorities for facilitating the disbursement of scholarships to bright and needy students at AMU.

We have transferred an amount of **US \$3,000.00 (US \$ Three Thousand)** on May 20, 2021 through wire transfer from our bank (United Business Bank). The funds are intended for the establishment of STEM Research program for projects for B.Sc. and M.Sc. students of AMU under the supervision of the Indo-US APJAK STEM Education and Research Center of OSU-AMU as per the guidelines provided in the letter of March 26, 2021 (see attached).

We raise funds from individuals and organizations that support our educational projects including scholarships and infrastructure development/improvement at educational institutions. We keep our benefactors informed on how AEEF uses the funds. An acknowledgement of AEEF's contribution will be appreciated since it will inspire others to contribute to AEEF to enable us to support many more worthy causes such as this.

Sincerely,

Shaheer Khan, Ph.D.
Secretary
