VOTE OF THANKS for celebration of International Women's Day 2025

- I would like to thank everyone who participated in the symposium, submitted nominations, and attended it. They show our unity, our support for each other and our ambitions to perform excellence
- I would like thank the Chief Guest, Guests of Honors for taking their roles
- In terms of organizing the event, I received unwavering support from the STEM Center Directors - Prof. Anil K. Pradhan at OSU and Prof. Tauheed Ahmad at AMU. Prof. Tauheed helps much more than he tells.
- Department of Physics of AMU. I started IWD symposium at AMU in 2014 with much support and help from the Physics Department and it has continued to do so.

Our Center staff: Tariq

Thanks to everyone.

See you at the next symposium.

May Allah bless us all.
