Arab Conference Of Astron

Cairo, Egyp

ACAG Scientific Program

[HOME](#) [COMMITTEE](#) [PROGRAM](#) [SPONSORS](#) [SULTANA PRIZE](#) [TRAINING & WORKSHOPS](#) [CONTACT U](#)

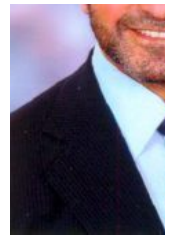

The Arab Conference on Astronomy and Geophysics

Conference's Chairman

Prof. Dr. Hatem Odah

- **President of the** National Research Institute of Astronomy and Geophysics NRIAG, Egypt.
- **Professor of Geophysics**, National Research Institute of Astronomy and Geophysics NRIAG, Egypt.
- **Egyptian Expert Egyptian permanent mission** to the Comprehensive Nuclear Test Ban Treaty Organization, Vienna. CTBTO August 2012 till now
- He acquired **PhD.** in Applied and Environment Geophysics Channel Mansoura university Munich University (Germany) July 1993

Prof. Dr. Hater

Conference's Rapporteur

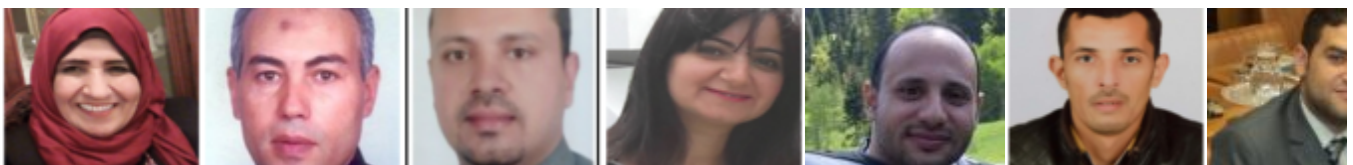

Prof. Dr. Ahmed Badawy

- Professor of Earthquakes and Tsunamis Risk Reduction (ETRR).
- Consultant of Disasters Risk Reduction (DRR) and Sustainable Development.
- Head of the Seismology Department, at the National Research Institute of Astronomy and geophysics (NRIAG), Helwan, Egypt.
- Professor of Seismology at the Geology Department of the Alexandria University.

Prof. Dr. Ahmed B

Organization Committee

Chairman

Prof. Dr. Somaya Saad

- Professor of astrophysics, at Astronomy Dept. National Research Institute of Astronomy and Geophysics (NRIAG).
- She is working as Deputy of Astronomy Dept., Vice president of the IAU-National Egyptian Committee.
- She is active member in the International Astronomical Union (IAU), American Physical Society (APS), the International Society of Muslim Women in (ISMWS) and the Egyptian Scientific Society of Astronomy and Space Science (SSASS).
- She received her M.Sc. and Ph.D in astrophysics from Cairo University.

Prof. Dr. Soma

ACAG 6 Committee

Member

Prof. Dr. Ibrahim A. El-Hemaly

- He is a Professor of Applied Geophysics, at the National Research Institute of Astronomy and Geophysics (NRIAG), geomagnetic and geoelectric department.
- He got his B.Sc. in geophysics in 1984 from El-Mansura University.
- He acquired his M.Sc. in 1991 from El-Mansura Univ. and his Ph.D in 1998 in Paleomagnetism from Geophysical Institute, Warsaw, Poland.

Prof. Dr. Ibrahim El-Hemaly

Member

Prof. Dr. Salah Saleh

- He is working in the institute from 11-05-1991 and as Professor of geophysics from 27.12.2012 till now.
- He got her B.Sc. in Geophysics in 1990 (very good with honor degree) from Ain Shams University.
- He acquired his M.Sc. in 1996. He av Grant for conducting research works DAAD for Ph.D. at Friedrich Schiller University, Jena Germany (1998-200

Prof. Salah

Member

Dr. Susan W. Samwel

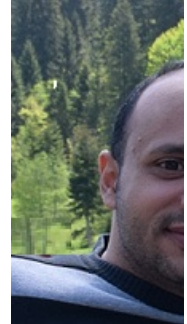

Dr. Susan Samwel

- She is associate professor at the National Research Institute of Astronomy and Geophysics (NRIAG), solar and space research department.
- She got her B.Sc. in Astronomy and physics in 1999 from Cairo University.
- She acquired her M.Sc. in 2004 and her Ph.D in 2009 in Space physics from Cairo University.

Member

Dr. Mahmoud S. Elhadidy

Dr. Mahmoud El

- He is associate Professor in the Seismology Department, National Research Institute of Astronomy and Geophysics (NRIAG).
- Dr.Elhadidy awarded his Bachelor D geologic science from Ain Shams University in 2002.
- He joined to NRIAG in May 2003 as assistant researcher. He awarded M.Sc. and Ph.D. degrees in seismology from Ain Shams University in 2008 and 2010 respectively.

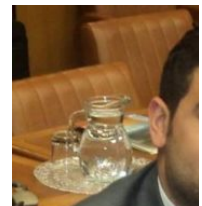

Member

Dr. Yasser Hendy

Member

Mr. Islam Hamama

- He is doctor at the National Research Institute of Astronomy and Geophysics (NRIAG), astronomy department.
- He got his B.Sc. in astronomy and meteorology in 2001 from Al-Azhar University.
- He acquired M.Sc. In 2005 from Al-Azhar University and his Ph.D in 2012 in physical and Mmathematical sciences from St.Petersburg State University, Russia.

Dr Yasser Hendy

- He is Assistant Researcher at Egyptian National Data Center (ENDC) .
- He got his B.Sc. in Geophysics in 2001 from Mansoura University.
- He acquired M.Sc. In 2017 from Mansoura University in Infrasound analysis .

Mr. Islam Hamarr

ACAG 6 Committee

Member

Dr. Rasha Eldaly

- She is a researcher at the National Research Institute of Astronomy and Geophysics (NRIAG), Astronomy department.
- She obtained her B.Sc. in Astronomy and Physics in 1999 from Cairo University.
- She acquired her M.Sc. in 2004 and her Ph.D.in 2013 in Astrophysics from Cairo University.

Dr. Rasha Eldaly

Member

Dr. Ahmed Elethy

Secretary

Mr. Mohamed said

- He is Computer Technician at the National Research Institute of Astronomy and Geophysics (NRIAG)
- He is working in the institute from 1-08-2004 till now at NRIAG Printing and Mapping Unit.
- He is the Executive Secretary for NRIAG conference from 2008 till now
