Ref: S.N. Nahar Teachers and A.R. Rahman Students Prizes

Dear Deputy Director Prof. Irfani Rahim,

Assalamu alaikum.

I have gone over the credentials of the student applications for the 2024 Alburuj R. Rahman prizes in Physics and in Chemistry. Following the evaluation of the students, I agree with the Departments in recommending the achiever of the highest score as the winner in the subject. Hence,

- Mr. Momin Habibullah Seh is the winner in Chemistry
- Ms. Saliha Tak is the winner of in Physics.

I note that out of 6 prizes, only student nominations are listed. I would like to see 4 faculty nominations.

Best regards,

Prof Sultana N. Nahar
