Dear Professor Nurun Nahar,

I would like to inform you that, Professor  
Md. Rafiqul Islam, current vice Principal of  
Kabi Nazrul Government College, will be a  
permanent member, ~~at~~ with his consent, of  
Abdur Razzaq and Alburuj Teaching Awards  
Board starting December 10, 2014. As a  
member he will decide the time for student  
votes in consent with the Principal and sponsor  
Dr. Sultana N. Nahar, hold and administer the  
votes, supervise the award process and represent  
the sponsor, at her consent, of the sponsor.

~~O. A. D. M.~~  
~~10/12/14~~

Professor Rafiqul Islam has been the vice principal for a number of years, is very familiar with this college and I have worked with him in the past. I feel he is very efficient and knowledgeable. I am very pleased to have his consent to be involved in these awards. There are three awards, based on student votes, for i) Math and Science, ii) Commerce, iii) Humanities or all other subjects. Professor Islam suggests voting to be done either during January-February or during October-November while the latter is the more appropriate. However, for 2015, we have decided the time. January-February.

At Professor Islam's suggestion I have increased the honorarium of each prize, which includes a certificate, from Tk-6000 to Tk-7000.

I would greatly appreciate your cooperation in deciding these and facilitating these awards. It was very nice to talk to you on the phone on the other day. We missed each other during my ~~two~~<sup>three</sup> visits here, but hope to meet in the future.

With best regards,  
Sultana Nurun Nahar
