**THE OHIO STATE UNIVERSITY**

---

# Our Mission

- The University is dedicated to:
  - Creating and discovering knowledge to improve the well-being of our state, regional, national and global communities;
  - Educating students through a comprehensive array of distinguished academic programs;
  - Preparing a diverse student body to be leaders and engaged citizens;
  - Fostering a culture of engagement and service

We understand that diversity and inclusion are essential components of our excellence

# University Strategic Planning

# Teaching and Learning

Ohio State will be an exemplar of the best teaching, demonstrating leadership by adopting innovative, at-scale approaches to teaching and learning to improve student outcomes.

# Access, Affordability and Excellence

Ohio State will further our position as a leading public university offering an excellent, affordable education and promoting economic diversity.

# Research and Creative Expression

Ohio State will enhance our position among the top national and international public universities in research and creative expression, both across the institution and in targeted fields – driving significant advances for critical societal challenges

# Academic Health Care

The Ohio State University Wexner Medical Center will continue our ascent as a leading academic medical center, pioneering breakthrough health care solutions and improving people's lives

# Operational Excellence and Resource Stewardship

Ohio State will be an exemplar of best practices in resource stewardship, operational effectiveness, and efficiency and innovation
