An opinion exchanging meeting was held at 11.00 a.m. at Moniza Rahman girls High School, Gandaria, Dhaka. Mrs. Saleha Khatun, the honorable Headmistress of the school presided over the meeting. Mrs. Sultana Nurun Nahar, the chief patron of "Samsun Nahar Memorial Awards" for the best teacher was present there as the chief guest. She became very pleased to hear the performance of the students in the School Secondary Certificate (S.S.C.) Examination of the last two years and appreciated the teachers highly for their great contribution. According to the proposal of Mrs. Masuda Begum, the honorable teachers' representative, she agreed to increase two more awards for the best teacher.

After discussion, decision has been taken that from now on four awards will be given to the teachers of class 1X-X level; two for Morning Shift and two for Day Shift. In Day Shift one award will go to the pure science teacher and the other one will go to the non-science teacher. In the same way in Morning Shift, one award will go to the science-math teacher and the other one will go to the non-science-math teacher. The category of the other four awards will remain as it was before. It was decided, following suggestion by the Headmistress of the school, Saleha Khatun, that voting for elected best teacher will take place couple of days later, during the time of 3<sup>rd</sup> terminal class test. After the thanks giving speech of the Headmistress the meeting ended.

With thanks-
