AMU research students felicitated for getting dual degree from Ohio State University

Posted date: **June 17, 2016** In: **Misc.** | comment : 0

ALIGARH June 17: The Officiating Vice Chancellor of the Aligarh Muslim University, Brig. S. Ahmad Ali today presented a degree of Master in Education to Dr. Asim Rizvi, Nida Rahman, Hala and Malik Azeem Anwar, which has been awarded by the Ohio State University (OSU) of USA.

Brig. Ali congratulated these research scholars and hoped that having this degree they will now perform much better in their respective area of research.

The Aligarh Muslim University had signed a Memorandum of Understanding with Ohio State University in 2013 to build a Science, Technology, Engineering and Mathematics – Education and Research (STEM-ER) Centre at AMU for providing opportunity for education and research in areas of mutual expertise and benefit.

A two year dual degree programme was implemented jointly by the AMU and OSU under which two female and two male research students were to be trained in teaching STEM-ER. The above four students of the Aligarh Muslim University, selected under the ambitious programme, completed their dual degree Master in Education programme at Ohio State University.

Prof. Nesar Ahmad, Department of Computer Engineering and Prof. Javaid Akhtar, Controller of Exams were also present.
