

WOMEN IN STEM ROADSHOW

Mentor Report: Darakhshan Naheed, Delhi

“Motivating students to STEM fields”

As a mentor to support participants in STEM workshop held in February 5-6 and February 7-8, 2018 at Jamia Millia Islamia(JMI),Delhi,India . I have been trying to be in touch with participants of WSR through phone and mail and have been giving information for pursuing STEM field. Academic progress shared by some of the participants is as follows.

- Nida Ahmad is pursuing BCA. She has scored 93.5% marks in last semester. She has done workshops on Java and Python.
- Aayat has passed high school with 83% marks in Kashmir . She has chosen Science for further studies.
- Preeti is pursuing M.Sc. from GBU .Now she is in 2nd year .She has passed first year with 7.8 CGPA
- Aayesha Qamar has taken admission B.Sc in women's College ,Jamshedpur,Bihar.
- Khooshboo is preparing for Medical entrance examination after passing 10+2 with Science.
- Bushra Perween is pursuing M.Sc. in Chemistry. She has passed 1st year with 8.2 CGPA .
- Aayesha Sulemani is also pursuing M.Sc. in Chemistry. She has passed 1st year M.Sc. with 8.9 CGPA.
