Dear Professor Nahar,

Thank you for your recent gift. On behalf of the College of Liberal Arts and Sciences (CLAS), we appreciate your generous support of our students, faculty and programs.

In October of 2014 Wayne State publicly launched Pivotal Moments: Our Campaign for Wayne State University, a \$750 million comprehensive fundraising campaign. Every gift to every area helps transform Wayne State University by inspiring our students, advancing discovery by our faculty, creating modern learning spaces and strengthening engagement with our community.

By supporting the Pivotal Moments campaign, you enable Wayne State to achieve its vision to become a preeminent public urban research university. Your gift also allows CLAS to continue providing high-quality educational experiences for our students, emphasizing hands-on learning, career-preparedness and community engagement.

Thank you again for supporting CLAS and the Pivotal Moments campaign. We appreciate your partnership as we celebrate Wayne State's pivotal moments and create new ones.

Warmest regards,
