Professor Sultana N. Nahar
140 West 18th Avenue
Columbus, Ohio 43210-1106

Dear Professor Nahar:

It is my great pleasure to thank you for your generous gift to the Wayne State University College of Liberal Arts and Sciences. The Dr. Sultana N. Nahar Endowed Prize in the Department of Physics and Astronomy and the three prizes it creates in your name and that of Alburuj R. Rahman provide a critical resource.

Recognition of academic accomplishments through your prizes, however, will mean much more to the recipients than the monetary value they provide. Wayne State University is honored to house this tribute to your distinguished career in research and education through your and Dr. Rahman's namesake prizes.

Thank you again for your generosity to Wayne State University.

Sincerely,

M. Roy Wilson
President
